Mwz File No. 213 of 1906

Serial No.

M 468 dated 1.6.1910

Requests that the Chief engineer may be addressed to get up an estimate for repairing the Sri Kalaseswara Swamy temple at Kalasa in the Mudegere taluk.

The Dy Comm states that the Secretary Muzrai ~~Superintendent~~ inspected the Kalaseswara Swamy temple at Kalasa during his tour on 18.12.05 and found out that certain parts of the buildings as mentioned in his docket No 2826 dated 26.11.06 were in absolute need of repairs and that certain improvements were also necessary. The Dy Comm. states that the ~~estimates~~ Amildar of Mudagere Cauldy as asked by him get the required estimates prepared as the proposed repairs are likely to cost several thousands of Rupees; Hence suggests that the Chief Engineer may be addressed to cause the necessary estimate prepared and the work carried by the P.W.D.

	prepared & submitted at an early date.
4	From the Ch. Engineer in Mysore No 4608 of 1913 1515 of 21-2-1913 Forwards an estimate amounting to Rs 12,541/- for repairing the Kalaseswara Swamy temple
Sl 1	12 items of work have been mentioned in Mysore Secretary's Note No. 2826 of 26-11-06. The first 9 items relates to repairs to the temple building. The other 3 items relate to repairs to the temple jewelry and umbrellas, and the increase of the lanterns in the temple
Sl 2.	The Dy Comr merely stated that as the works mentioned in the note cost several thousands of rupees, the estimate concerned might be got prepared by the D.P.W & the work entrusted to them;
Sl 3.	and in accordance with this an estimate was called for from the D.P.W. and they have now sent an estimate for Rs 12,541/- on account of repairs to the temple building (items 1 to 9 of the Mysore Secretary's Note). The other 3 items of work are not such as could be executed by the P.W. Dept and so they have not submitted an estimate

the Chief Engineer requesting him to report at a very early date whether the items of work included therein are necessary, and if so, to countersign the same. and also calling for information as to the funds at the credit of the institution &c &c

6 From the Deputy Commissioner, Kadur Dt.
Letter No. 121 dated 8/9. 9. 13.
Furnishes the information called for.
Reports that the items of work noticed by the 1st Councillor during his tours of inspection have already been included in the estimate for Rs 12,541/ prepared P.W.D, that some additional work is reported by the Amildar to be necessary & that he is also of the same opinion and requests that the P.W.D may be asked to have an estimate for all the items of work once for all. The Dr Com has not countersigned the present estimates.
As regards repairs to Jewellery etc he states he would submit an estimate separately.
The amount at the credit of the temple is reported to be Rs 89,450-2-5 at the end of June 1913. Of this, a sum of Rs 15,000 is reported to have recently been invested in the Govt of India Securities.

Kaduna District

No. 28263/26-11-06

MWS F 213-06

Sir,

During my inspection of the Sri Kalaseswaraswamy temple at Kalasa on the 18th December last, the works required to the temple were as follows:—

(1) The wooden planks in the upper floor or ew 5 drs had all to be reset.

(2) The floor of the 3 rooms in the lower floor generally reserved for the accommodation of the inspecting officers, was very damp and required to be ~~floored~~ paved with Mangalore flooring tiles.

(111) The substitution of Zinc sheets for monsoon Tallies, ~~contracts~~ was sanctioned

y Government in may 05
at a cost of Rs 2174/, at
the recommendation of the
Dy. Commr. This work
had not even then been
undertaken. The substantial
way in which these heavy
zinc sheets have to be
fixed should be carefully
considered by the Amildar,
and then the work commenced
In the estimate sanctioned
in May 1905, substitution
of zinc sheets had been
provided for two sides
only. The third side also
should be similarly provided
for.

(4) The outside verandahs
were very high from the
ground level They should
therefore be enclosed by
iron railings.

(5) On the eastern
side of the temple
compound, a portion

of the Chandrasala has fallen down and the other portion was of thatched roof. As all the portions of the Chandrasala must be symmetrical, the fallen and the thatched portions must also be built of Mangalore-tiles roof.

(6) A gate should be provided for the eastern entrance.

(7) Some keepers were seen to have been replaced in the Yagasala portion. This should be examined

(8) A portion of the Compound wall near the Well has fallen down. This should be reconstructed and the

ordinary tiled roof of the said entrance should be substituted by Mangalore tiles,

(9) In a portion of the Chandrasala, the Vigrahas of Shanmukha and Viswesvara were had been placed, in the corners opposite to each other. These may be enclosed by iron railings.

(10) Some of the golden and silver etc. articles of the temple such as Golden Vajrangi, Silver Chamara, and Kittege, Silver Nagabharana, Silver cups, Sange Arates, etc. were in need of repairs. Some pieces of gold and Silver are, it seems, available in the temple, which the temple servants said might be used for the purpose. The repairs may be effected under the careful supervision of the Amildar and the result reported to this Office.

(11) The two white

umbrellas and the two red ones in the temple were reported to be old and worn out and had to be repaired. An estimate for renovating them should be subt.

(12) There were 6 lanterns fixed on posts in the temple compound. It seems they are not sufficient. Four more may be fixed and 4 lanterns may be newly provided along the road leading to the temple for the benefit of the inhabitants.

The Then Amildar of Mudigere Taluk, Mr. G. Hanumantha Rao who had accompanied me during my inspection was requested by me ~~had been directed~~ to send up separate estimates for all the above items of works. I am to requ

enough to do the needful
in the matter of expediting
the submission of estimates
(for the works enumerated above
A clear report ~~Statement~~ should
also be submitted showing the funds at the credit of the temple
I have etc

Dated, Chikmagalur, the 1st June 1910.

From

K.Srinivasa Rao, Esquire,

Offg: Deputy Commissioner,

Kadur District.

To

C.S.Balasundaram Iyer, Esquire, B.A.,

Offg: Secretary to Government of Mysore,

General and Revenue Departments.

Sir,

With reference to the Muzarai Secretary's letter No. 2820 dated 20th November 1909, calling for the submission of estimates for repairing the Sri Kalaseswara Swamy temple at Kulsa in the Mudgere Taluk, I have the honor to state that the Amildar of Mudgere who was asked to get the required estimates prepared reports that as the proposed repairs are likely to cost several thousand rupees, he is unable to get them prepared by the staff available at his disposal. It is also reported that subsequent to the Inspection of the temple in question by the Muzrai Secretary in 1905 some other portions have fallen into disrepair which must also be repaired. I would therefore suggestthat the Cheif Engineer may be addressed to cause the necessary estimates prepared and the work carried out by the D.P.W.

I have the honor to be,

Sir,

To,

The Chief Secretary Esqre Mr. A.

Secretary to the Government of H.H.

the Maharaja of Mysore,

Financial & Revenue Departments,

Mysore.

Sir,

With reference to your letter No. 1336 M.
Mus: 213-06

and 124 Mus: 2-13-1 dated 4th April and W
17th 1913 respectively on the matter
of transferring the Tiri Kaliacavara swamy
Inam in Kasaba in the Mudigere Taluk
from the recipient Re under G.O. 635 Mus 2-13-3 V
to the 21st Inamdar on the Project, I
have the honor to state that all
the

the items of work required to be done as observed by the First Councillor during his tour in this District, have already been included in the Estimate prepared in the Public Works Department.

2. The Engineer who was directed to inspect and report whether all the items of work included in the said Estimate were necessary and sufficient, reports that some more items of work are necessary. I am also of the same opinion and request that owing to the importance of the situation a Consolidated Estimate making provisions for the additional works may kindly be prepared in the Public Works Department so that we may apply for the requisite funds, ...

done once for all. As
items of work referred to in
paras 10, 11 & 12 of the Imperial Secret-
ary's letter No. 2826 of 26.11.1906, Q.
the Auditor reports that he
hopes next in an intimate
Earl, and this may be dealt
with separately.

3. As regards the funds, I beg
to state that, as per the Treasury
Sufficiency Memo dated in the
file, a sum of £89,450-2-5, is
required to be the available
balance at the credit of the
Secretary at the end of June 1913.
Of this amount, a sum of £15000/-
is invested in the Government
of India Securities (Vide Government Put up
Order No. 522-7/Imp: 453-12-4 dated
15-8-1913).

4. The file of papers received with

Your

Your letter under reply together with the Mudigere Taluk Amildar's report D.o 21 of the 26th August 1913 on the subject is herewith submitted for reference.
